October 16, 2007

Today we reflect and celebrate the fortieth anniversary of Dr. Martin Luther King's speech at California State University, Sacramento (then Sacramento State College). Many of the issues that Dr. King spoke to in the last years of his life have currency today. We can, and should, reflect on his message of tolerance, peace, and justice. Hopefully this reflection will guide us in both our personal and academic lives, now and in the future.

Bruce Bikle
